Gel Heel Cradles

FC-50.69

Recommended for relief from plantar fasciitis or general heel pain, these unique heel cradles are clinically proven to absorb shock & cushion painful heels. Soft gel plugs provide relief at the most sensitive areas, while the medial extension helps support the arch.

Sizes: S, M, L

Gel Heel Cups

FC-51.69

Absorb shock, cushion painful heels and reduce stress on the Achilles tendon, these unique heel cups are recommended for people with Achilles tendonitis or general heel pain. The unique "cupped" design transfers pressure away from rearfoot, & Soft Gel plugs offer additional pain relief.

Gel Bunion Shield

FC-52.69

Gel Bunion Shield comforts, protects, and moistens painful bunions. The unique Gel molds to your foot and is clinically proven to provide immediate relief. The soft toe separator helps realign your big toe. Hypo-allergenic and dermatologist tested.

Sizes: One Size Fits All

Gel Toe Crests

FC-53.69

Gel Toe Crests provide Gel comfort for pain caused by hammer, claw, or mallet toes. Fits comfortably between your ball-of-foot and toes, and relieves pressure from the toe area.

Sizes: S, M, L - Left or Right

Gel Metatarsal Cushions

FC-54.69

Gel Metatarsal Cushions are designed to provide Gel comfort at the ball-of-the-foot. The unique Gel formation provides unsurpassed cushioning and shock absorption, while eliminating irritating calluses. Fits in all footwear styles.

Sizes: Left or Right

Gel Toe Shields

FC-55.69

Gel Toe Shields comfort pain caused from friction, blisters, corns, ingrown toenails and calluses, while protecting your toe from rubbing against the top of your shoes. The unique gel softens and lubricates your skin. Dermatologist tested.

Sizes: S / M, L / XL

Gel Toe Caps

FC-56.69

Gel Toe Caps comfort pain caused from friction, blisters, corns, ingrown toenails and calluses, while protecting your toe from rubbing against the top of your shoes. The unique gel softens and lubricates your skin. Dermatologist tested.

Sizes: S / M, L / XL

Gel Toe Straightener

FC-57.69

Gel Toe Straighteners keep toes from overlapping and reduce friction for maximum comfort. Apex Gel Toe Straighteners are made from a polymer gel with mineral oil to soften and lubricate the skin. Dermatologist tested.

Sizes: S, M, L

Bunion Night Splint

FC-58.70

Bunion Night Splints help keep your big toe aligned and eases pain caused by bunions. The soft bumper pad cushions the big toe, while the Velcro® strap acts as a lever to gradually align the big toe, relieving discomfort. Anti-Shox® Bunion Night Splints should be worn at night.

Sizes: S, M, L - Left or Right

Bunion Bandage

FC-59.70

Bunion Bandages were designed by a doctor to relieve the pain caused by bunions. The unique sling design relieves discomfort by gently realigning the big toe, and protecting the bunion area with a soft cushion. Fits in most footwear styles.

Sizes: S, M, L - Left or Right

Met/ Arch Bandage

FC-60.70

Met/ Arch Bandages were designed by a doctor to relieve pain at the ball-off-the-foot, while comforting and supporting your arch. The elastic support fits comfortably around the arch, while the metatarsal support reduces stress on the ball-of-the-foot. The unique design allows for a

comfortable fit in all footwear styles.

Sizes: S, M, L, XL

Metatarsal Bandage

FC-61.70

Metatarsal Bandages were designed by a doctor to relieve discomfort at the ball-of-the-foot. The soft pads within the bandage reduce pressure and protect your metatarsals. Fits in all footwear styles.

Sizes: S, M, L, XL (1 Pair)

Hammer Toe Crest

FC-62.70

Hammer Toe Crests help relieve pain caused by hammer toes. The elastic sling rests around the 2nd or 3rd toe, holding the toes in a relaxed position and relieving pressure. *People with diabetes or poor circulation should not wear this device.*

Sizes: S, M, L, XL

Hammer Toe Splint

FC-63.70

Hammer Toe Splints, commonly referred to as Budin Splints, were designed by a doctor to relieve the discomfort of hammer toes. The adjustable elastic ring slides over your toes for comfortable realignment. Designed to fit in all footwear styles.

Sizes: One Size Fits All

Toe Separator Comb

FC-64.70

Toe Separator Combs are designed to provide gentle toe separation and to keep your toes from overlapping. The soft foam provides relief from corns and annoying friction, and comforts the space between your toes.

Sizes: One Size Fits All

Toe Separator

FC-65.70

Toe Separators provide comfort from pain often caused by soft corns, overlapping toes and friction between your toes.

Sizes: One Size Fits All

Walker/Runner Performance Socks

FC-66.71

Walker/Runner Socks were invented by a team of pedorthists to achieve the ultimate goals in comfort and performance. These socks are designed to absorb shock forces often experienced by runners and provide soft cushioning without making your shoes feel tighter. Anti-Shox Socks are made from hi-tech fibers that wick moisture away from your feet to provide a bacteria free environment. The end result is a performance sock that you will never want to take off your feet! Safe for Diabetes.

Sizes: S,M,L

White - Crew
White - Ankle
White - Mini

Seamfree Diabetic Socks

FC-67.71

Seamfree Diabetic Socks are recognized as the #1 sock for diabetic foot protection. Recommended by podiatrists worldwide, these seamless socks are designed to assure a smooth fit without pressure points.

In addition, the socks have a unique shape that closely follows your foot, ankle and leg anatomy.

Sizes: Regular, X-Wide

Colors: Balck, Brown, White, Navy

Gel Comfort Socks

FC-68.71

Gel Comfort Socks are made of state-of-the-art Gel technology to provide comfort and protect the plantar aspect (bottom) of the foot. Your foot rests comfortably against the covered gel cushion to provide cool, friction free surface that protects the foot against blisters, corns, calluses & other skin injuries. Safe for Diabetes.

Sizes: S, M, L

Gel Slipper Socks

FC-69.71

Gel Slipper Socks are made of state-of-the-art Gel technology to provide comfort and protect the plantar aspect (bottom) of the foot & feature a non-skid bottom. Your foot rests comfortably against the covered gel cushion to provide a cool, friction free surface that protects the foot against blisters, corns, calluses & other skin injuries. Safe for Diabetes.

Sizes: S, M, L
